

Personal Representation Appointment

Do you want to designate a person or entity as a Personal Representative to act on your behalf regarding insurance matters with UnitedHealthcare StudentResources? All you need to do is submit a Personal Representation Appointment (PRA) form!

You can easily submit your form online via My Account to provide real-time authorization! Log into My Account (www.uhcsr.com/myaccount) and look for the PRA card.

Complete the form and within minutes, our Customer Service or Customer Care departments will be able to speak with your Representative via the phone just as if they were speaking with you.
