

SOM PhD Student Feedback

Your name _____

When did you graduate _____ What was your major area _____

Date _____

We are in the process of setting up assessments for our PhD program and would appreciate your feedback on how we are doing in achieving our goals. Please let us know how you feel we did in helping you attain the following learning goals we have established

Please check the box for each of the following statements.

	Strongly Agree	Agree	Neither agree nor Disagree	Disagree	Strongly Disagree
I was able to gain-depth knowledge of the theory in major areas of my field of study.					
I obtained skills in the use of advanced research methods and techniques to analyze text and data relevant to my field of study.					
I gained competency to conduct independent and original research in my field of study.					
I have sufficient preparation to independently teach classes in my field of study.					

Can you provide any other feedback in terms of how well you feel the PhD program in SOM at Binghamton University has prepared you for an academic career in research and teaching? How can we improve the experience of other students who are currently in the program?
